

Acumen Enterprise

<https://www.indiamart.com/acumen-schimatle/>

Our firm is one of the well-known names in the industry for the manufacturing and trading of a large array of Medical Instruments. These are admired for their high performance and easy usability.

About Us

We **Acumen Enterprise** from **2011** are manufacturing and trading of high-quality Medical Instruments. Offered products range consists of Medical Instruments, Dermabrasion System, and Derma Roller. These products are well known due to their proper functioning, low maintenance, and damage resistance. Apart from this, these medical instruments are offered to the clients at very reasonable rates.

Our team is the backbone of our company. These professionals have enormous knowledge in their respective sphere. In order to make sure hassle-free business procedures, we have accurately segregated our team into various sections handled by our talented personnel who assist us in delivering these medical instruments on a timely basis. Also, we have set up a modern infrastructure that is equipped with modern machines.

Under the headship of our mentor **Mr. Bhavin Patel**, our organization is moving ahead in this cutting-edge competition. He helps us to cater to the demands of customers.
